**RE: Letter of Support for Schools Applying for 1003g Grants**

Dear Dr. Pruitt,

The Gary Teachers Union supports the applications for Title I – 1003(g) School Improvement Grants for the following schools:

<b>School Names</b>	<b>Selected Model</b>
Beveridge Elementary	Transformation
Dunbar Pulaski Middle School	Transformation
West Side Leadership	Turnaround

For the school applying for the Turnaround Model we refer to the April 15, 2011 Memorandum of Understanding between the Gary Teachers Union and the Gary Community School Corporation, Re: Restructuring of Schools, that states the agreed upon conditions for schools in their 5<sup>th</sup> year of school improvement. This MOU expires December 31, 2014.

We understand that schools applying for the Transformation model do not have the requirement of rehiring no more than 50% of the existing staff. We do recommend that the Gary Community School Corporation give staff who do not feel they can successfully be part of the "Transformation" of a school an opportunity to accept an involuntary transfer to other sites within the district. This would be done in accordance with the Collective Bargaining Agreement Covering Teachers that expires December 31, 2014. The conditions of the Collective Bargaining Agreement covering Paraprofessionals would also be followed.

We pledge our support and cooperation on any initiative designed to improve teaching and learning conditions in our public schools. We certainly hope that the 1003g grants will do exactly that.

Respectfully yours,

Joe Zimmerman, President, Gary Teachers Union
